1963 Aston Martin Db4 Vacuum

Produced from late 1958 through the summer of 1963, the DB4 proved an elegant departure from the earlier, more upright DB2 road cars that had defined Aston Martin throughout the 1950s, and it established the look that would carry the company into the 1960s and beyond. The DB4 rode on a chassis best described as overbuilt and needlessly heavy, though it proved undeniably stiff and strong, and went unchanged throughout production.
