Killing from the Inside Out: Meagher, Robert Emmet, Shay ...

Armies know all about killing. It is what they do, and ours does it more effectively than most. We are painfully coming to realize, however, that we are also especially good at killing our own "from the inside out," silently, invisibly. In every major war since Korea, more of our veterans have taken their lives than have lost them in combat.

writer and brilliant classical scholar, leverages history to provocatively argue that the opposite has actually occurred and JWT has served only to legitimize and inspire war. JWT, he convincingly contends, has also made it tragically easy to deny the existence of moral injury, a condition that commonly afflicts combat veterans and profoundly and negatively affects psyches.

killing-from-the-inside-out-moral-injury-and-just-war ...

Just war doctrine was never more than a theory and at its worst it was a lie, a deadly lie. It promised at least the possibility of war without sin, war without criminality, war without guilt or shame, war in which men and women would risk their lives but not their souls or their humanity.

Moral Injury and Just War

"Killing from the Inside Out" examines the psychological effects of combat from another angle, as it pertains to Just War Theory (JWT) and this theory's impact on "moral injury." The title comes from the poignant story of Noah Pierce.
