Milky Mama is amazing! Milky Mama is amazing. I recommend to all mothers out there. All of their products are delicious and so good. I can eat them all day. Every session I always had at least 4 to 5 oz on each side before I had about 1.5 to 2 oz. Overall, this is an amazing product and it's highly recommended. I give this 100 stars.

If the milk becomes lumpy or gooey after being heated, that's a sign that it's gone bad. Milk curdles because the high acidity in the soured milk causes proteins in the milk to bond together, creating lumps. It's normal for the milk to have a thin skin on top when heated. That doesn't necessarily mean the milk is bad.
