This chapter discusses safeguarding concerns for black children who have been sexually abused. It starts by outlining the definition of child sexual abuse, before moving on to consider the occurrence of sexual abuse within black families. Its primary concern is to explore a number of issues that affect black children who have been sexually abused. The chapter also discusses some of the factors that impact disclosures, and considers the effects of sexual abuse on black children's emotional ...

Child Sexual Abuse In The Lives Of Black Children ...

This practice guidance has been written to promote the effective safeguarding of children from minority ethnic, cultural and faith communities, groups and families. Culturally competent practice places children's wellbeing and protection within their cultural context and, by being culturally competent, practitioners can better identify which aspects of the family's difficulties are 'cultural', which are neglectful, and which are a combination of factors.
