The Great Courses Understanding Japan a Cultural History ...

As its title implies, Understanding Japan: A Cultural History deftly interweaves a narrative of Japanese history in its regional and global contexts with a variety of "cultural" topics. The historical coverage encompasses the full sweep of Japan's past, from Neolithic Jōmon culture through the twenty-first century, though premodern history (about ten lectures) receives more detailed

attention than modern history after the 1868 Meiji Restoration (five lectures).
